## **TRUSTEES' REPORT**

***FOR THE YEAR ENDED 31 AUGUST 2017***

---

The trustees present their annual report with the financial statements and auditor's report of the charitable company for the year 1 September 2016 to 31 August 2017. The annual report serves the purposes of both a trustees' report and a directors' report under company law.

The trust operates an academy for students aged 11-16 serving a catchment area in the Makerfield area including Ashton-in-Makerfield, Abram, Bryn Gates, Downhall Green, Garswood, Golborne, Haydock, Hindley, Ince-in-Makerfield, Newton-le-Willows, North Ashton, Platt Bridge, Wargrave and Winstanley. It has a student capacity of 1,175 and had a roll of 885 in the school census on 18 October 2016.

### **Structure, governance and management**

#### Constitution

The academy trust is a company limited by guarantee and an exempt charity. The company's registered office is Warrington Road, Ashton-in-Makerfield, Wigan, WN4 9PQ and its company number is 08175642. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust. The trustees of Makerfield Academy Trust are also the directors of the charitable company for the purposes of company law. The charitable company is known as Makerfield Academy Trust.

The trustees who were in office at 31 August 2017 and served during the period are listed on page 1.

#### Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before he/she ceases to be a member.

#### Trustees' indemnities

The academy trust has opted into the Department for Education's Risk Protection Arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy trust business. Further details are disclosed at note 9.

#### Method of recruitment and appointment or election of trustees

The members of the trust are responsible for the appointment of trustees except seven parent trustees and three staff trustees who will be appointed through an election process directed by the board of trustees. The number of trustees shall be not less than three and shall not be subject to a maximum.

#### Policies and procedures adopted for the induction and training of trustees

Trustees are appointed based on the skills that they will bring to the board of trustees or based on a proposal to the board of trustees by representative groups. On appointment, trustees receive information relating to the trust, attend a briefing and receive an induction pack on the role and responsibilities of trustees.

During the year, trustees are offered all necessary training.

#### Organisational structure

The governance of the trust is defined in the memorandum and articles of association together with the Funding Agreement with the Department for Education.

All trustees are members of the board of trustees. In addition trustees are members of committees which report to the board of trustees.

## TRUSTEES' REPORT (CONTINUED)

*FOR THE YEAR ENDED 31 AUGUST 2017*

---

The board of trustees meets once each term to receive reports from its sub-committees and manage its strategic objectives. The board has three sub-committees:

- Finance and Premises, which meets once in the Autumn and Summer terms and twice in the Spring term, to consider the academy's budgets and financial performance, statutory financial requirements and premises issues;
- Curriculum and Staffing, which meets once in the Autumn and Spring terms and twice in the Summer term to discuss issues surrounding staffing and the approval and review of all aspects of the school curriculum in addition to the attainment and achievement of students; and
- Pay, which meets bi-annually to approve and review staff remuneration.

The day to day management is delegated to the headteacher, who has appointed a senior leadership team, which meets weekly to advise the headteacher on his day to day responsibilities.

### Arrangements for setting pay and remuneration of key management personnel

The headteacher's pay is set by a performance review panel that is advised by an independent consultant. Targets are set at the start of each academic year by this panel; performance against these targets is assessed by the panel prior to any pay review taking place.

The senior leadership team's pay is reviewed through appraisal, by the headteacher, against targets which are set at the start of the academic year.

Once the pay review has been completed, findings and recommendations are submitted to the Pay Committee for final ratification.

All pay progressions for the headteacher and senior leadership team are completed in accordance with the school's pay policy, which is reviewed annually.

### Related parties and other connected charities and organisations

The members, directors, trustees, senior staff and their families are regarded as related parties in accordance with the definitions in the Charities SORP.

The academy is related to Western Skills Centre Limited by common directorship. Western Skills Centre Limited is a training provider delivering vocational training to the academy and other schools in the local area. This centre closed during academic year 2016/17.

## **Objectives and activities**

### Objects and aims

The trust's object is to advance for the public benefit education for children aged 11 to 16 by establishing, maintaining, carrying on, managing and developing a school offering a broad and balanced curriculum.

The trustees' vision is to achieve high standards of performance in all areas using modern practices and promoting moral and ethical values.

Students are offered a supportive, positive and dynamic learning environment that enables them to focus on their studies and extra-curricular activities. As a result, students achieve academic and technological excellence and extend their sporting, artistic and musical accomplishments.

The academy fosters personal development that helps students to find meaning in their lives and respond with creativity and determination to the challenges that arise through the rapid pace of social change.

---

### Objectives, strategies and activities

The academy's objective for the year ended 31 August 2017 was to raise the attainment level of all students through innovative practices, use of new technologies, professionalism and quality; with particular emphasis on moral and ethical values.

- Student roll: the total number on roll for the year to 31 August 2017 was 881.
- Admissions: the academy is currently under-subscribed by approximately 25% calculated against its official capacity of 1,175.
- Permanent exclusions: the aim is to have exclusions only in exceptional circumstances. Makerfield Academy Trust had no permanent exclusions during the period from September 2016 to August 2017. During the same period there were 66 fixed term exclusions amounting to 215 days.
- Staffing: the average number of (full time equivalent) staff employed during the year to 31 August 2017 was 94.

### Public benefit

The trust will promote for the benefit of inhabitants of Ashton-in-Makerfield and the surrounding area, the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants.

The academy trust's trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

Makerfield Academy Trust's latest Ofsted inspection carried out on 3 and 4 March 2015, received the official rating of 'GOOD'.

The inspection judgements were:

▪ Overall Effectiveness	GOOD
▪ Achievement & Progress of Pupils	GOOD
▪ Quality of Teaching	GOOD
▪ Behaviour & Safety of Teaching	GOOD
▪ Leadership & Management	GOOD

The school continues to work towards becoming an outstanding school. A succinct school Self Evaluation Form (SEF) based around the OfSTED Framework is maintained as a live document and is validated/updated at regular intervals as is the School Improvement Plan (SIP) which is "hard-linked" to the areas for development in the SEF.

In 2016/17 the school addressed effectiveness issues and made significant improvements in Science and English and maximising achievement across the school in order to address the Progress 8 Agenda.

The school has re-launched the Makerfield Community Trust, a collaborative partnership which supports educational institutions of all governance types, to achieve improvements in student outcomes through the design and supply of high quality improvement and business services. The aim of the charitable trust is to advance the education of students at Makerfield Academy Trust and other young people in the historic Makerfield area.

### Key performance indicators

The school's performance against the accountability measures was as follows:

- Attainment 8 = 46.3
- Progress 8 = -0.22
- English & Maths 4+ = 69.4%
- English & Maths 5+ = 47.7%
- Achieving E-Bacc – Standard Pass = 20.2%
- Achieving E-Bacc – Strong Pass = 19.7%

Attendance levels have maintained an acceptable level with a continued drive towards a target of 95%.

## **TRUSTEES' REPORT (CONTINUED)**

**FOR THE YEAR ENDED 31 AUGUST 2017**

---

The academy places importance on staff retention and development in order to achieve the highest standards of teaching and learning.

2016/17 was another challenging year for the school budget. Falling rolls and further reduction of the Education Services Grant, with no eligibility for protection, meant that even less funding was available. Staffing levels had been reduced in 2015/16; however a number of redundancy payments had to be made in September 2016. Cost centres were again subject to a 5% reduction and detailed monitoring was required to ensure a favourable year-end position.

The Apprenticeship Levy was introduced by central government and meant further costs at school level.

Support staff absence and requirement for offsite provision and additional student support meant higher than expected costs in those areas.

### Going concern

After making appropriate enquiries, the board of trustees has a reasonable expectation that the academy has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements.

The expectation is that by the end of 2017/18 staffing levels will reduce through retirement and natural wastage; it is hoped that compulsory redundancy will not be required. It is anticipated that student numbers will continue at this level for another two years, after which time an upward trend is forecast. It is probable that additional savings in staffing, capitation and development will be required in order to achieve a balanced budget for 2018/19.

The current level of restricted general funds and cash at bank remains below the recommended level to cover one month's net wages. The trustees will continue to closely monitor outgoing resources against the level of available funds. Further details regarding the adoption of the going concern basis can be found in the accounting policies note of the financial statements.

### **Financial review**

The trust's financial position for the year to 31 August 2017 demonstrates total income of £5,514,000 with a surplus for the year to 31 August 2017 of £769,000. The surplus has been carried forward in reserves.

Any future surpluses will be utilised for continuous improvements and for projects for the repair and replacement of educational equipment and materials. Balances will also be allocated to the repair, replacement and updating of the academy's buildings, its plant, equipment and contents.

All spending of the balances will be reported to the trustees.

The principal financial management policies adopted in the period are:

- regular financial reviews of income and expenditure versus planned budgets at governor committee meetings; and
- consideration as to whether income streams demonstrate a robust and stable position to continue to enable the provision of resources of sufficient quality to fulfil the academy's educational obligations.

Balances carried forward at 31 August 2017 will be utilised as part of the medium and long term plans of the academy to improve and update its educational resources, materials and equipment.

### Reserves policy

It is the aim of the trustees of the academy to show a level of prudence and good financial planning to cover the unexpected and unplanned so that the academy's primary object is preserved under unforeseen circumstances. The main risk to the academy can be summarised as government funding changes and falling rolls or delays in the receipt of grant funding.

Reserves are discussed on an annual basis by governor committees. This review encompasses the nature of income and expenditure stream, the need to match income with commitments and the nature of balances.

## TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

---

### Investment policy

The academy aims to manage its cash balances to enable day to day financial management. Where surplus cash funds exist the academy will seek to optimise returns but ensure no risk or loss.

### Principal risks and uncertainties

Makerfield Academy Trust has adopted a risk management policy and has created a risk register and risk review process. The objectives will be to determine an approach and, where it is considered necessary, put in place measures of control and mitigation in order to manage risk.

The principal risks are seen as government funding changes and falling student rolls.

Key controls in place are:

- an organisational structure with defined roles, responsibilities and authorisation levels;
- terms of reference for the committees of the board of trustees;
- financial planning, budgeting and regular management reporting highlighting areas of financial risk; and
- a strategic long-term marketing plan.

### Pension liability

The academy exercised pension pooling with the local authority for the Local Government Pension Scheme (LGPS). The academy was placed in the local authority actuarial pool paying the same minimum employer contribution rate as the pool but on the basis that (1) capital costs of ill-health retirement will be treated as a pool charge (with the fund looking to the local authority to account for any aggregate overspend) but (2) the capital cost of any non-ill health early retirements or augmentation of membership or pension has to be paid up front to the fund by the academy. Assets were transferred such that the estimated deficit relating to both the transferred active members and to former employees of the school who are either deferred or pensioner members transfers to the academy. This implies that the opening funding level for the academy would be materially lower than that of the local authority. The pension deficit has decreased this year from £1,751,000 to £1,195,000. A full report has been prepared by Hymans Robertson LLP which contains the rationale behind this increase.

### **Plans for future periods**

**Overall objective :** To achieve a step-change in the culture of the school by focusing on knowing our children in much greater detail and inspiring them to be the best person that they can be, achieving and extending their person goals and achieving their potential.

There will be an emphasis on all staff individually to be "Leaders of Learning", inspiring and building aspiration;

- with their classes (and their departments)
- with their tutor groups (and their year team)
- around the school
- in the wider community via their relationships, behaviours and interactions.

There must be an aim to "Engage, Challenge and Support All"

- To prioritise the promotion of aspiration, learning and achievement via high profile year teams and tutors, and high quality leadership of personal development.

**Auditor**

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The audit business Haines Watts has been appointed as the company's auditor. The audit report has therefore been issued by Haines Watts.

The report of the trustees, incorporating a strategic report, was approved by the trustees on 14 December 2017 and signed on their behalf by:

## GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2017

---

### Scope of responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that Makerfield Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of trustees has delegated the day-to-day responsibility to the headteacher, as accounting officer, for ensuring financial controls conform to the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Makerfield Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the board of trustees any material weaknesses or breakdowns in internal control.

### Governance

The information on governance included here supplements that described in the trustees' report and in the statement of trustees' responsibilities. The board of trustees has met four times during the period. Attendance during the meetings of the board of trustees was as follows:

Trustee	Meetings attended	Out of possible
Mrs S Brookes	2	4
Mr K Burgan	3	4
Mrs K Hilton	4	4
Mr P Hart	4	4
Dr P Rigby	2	4
Mrs L Hutton	3	4
Mrs A Wiswell MBE	4	4
Rev. J Thomas	2	4
Mr A Birchall	4	4
Mrs T Hughes	4	4
Mrs M Mehnert	0	3
Mr N Green	3	4

Mrs M Mehnert resigned from the board of trustees on 1 April 2017

Mr K Burgan resigned from the board of trustees on 5 July 2017

The governing body completed a skills audit in the autumn term of 2016; a further review will take place during 2017/18 as part of the school's self-review process and will contribute to the revised governance arrangements of the MAT. The next review will monitor the impact of this and look to identify further areas for trustee development. These will be incorporated in to the academy's improvement/development plan.

The Finance and Premises Committee is a sub-committee of the main board of trustees. Its purpose is to report to the full board of trustees on a timely basis the finances of the academy. Attendance at meetings in the period was as follows:

Trustee	Meetings attended	Out of possible
Mrs A Wiswell MBE	4	4

### **Review of value for money**

As accounting officer the headteacher has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the trust's use of its resources has provided value for money during each academic year and reports to the board of trustees where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by applying the principles of best value; challenge, compare, consult and complete. These principles have been applied when making decisions about:

- the allocation of resources to best promote the aims and values of the school;
- the targeting of resources to best improve standards and the quality of provision;
- the use of resources to best support the various educational needs of all students;
- monitoring and evaluating the performance of the school; and
- managing the performance of the staff.

As part of the Best Value and self-evaluation processes we have been committed to:

- making comparisons with other/similar schools using data provided by the LA and the government e.g. RAISEonline, quality of teaching and learning, levels of expenditure/salaries;
- challenging proposals, examining them for effectiveness, efficiency and cost e.g. setting of annual student achievement targets, expansion or contraction of student numbers;
- requiring suppliers to compete on grounds of cost and quality/suitability of services/products/backup;
- consulting individuals and organisations on quality/suitability of service we provide to parents and students, and services we receive from providers e.g. service level agreements;
- concentrating our efforts and resources into the review of areas that will result in significant improvement to aspects of the school's performance; and
- using students' and parents' viewpoints where most appropriate.

This will apply in particular to:

- leadership and management
- staffing
- use of premises
- use of resources
- financial management
- quality of teaching
- quality of learning
- purchasing
- students' welfare
- health and safety

### Staffing

We have deployed staff to provide Best Value in terms of quality of teaching, quality of learning, adult-student ratio, curriculum management and professional development of staff to ensure continuing improvement in the school's achievements.

### Use of premises

We have considered the allocation and use of teaching areas, support areas and communal areas to provide the best environment for teaching and learning, for support services and for communal access to central resources.

### Use of resources

We have deployed equipment, materials and services to provide students and staff with resources which support the raising of standards through the quality of teaching and the quality of learning.

### Teaching

We have reviewed the quality of curriculum provision and quality of teaching to provide parents and students with:

- a curriculum which meets the requirements of the National Curriculum and the needs of students of all abilities and provides progression routes to post 16 education and curriculum;
- the agreed RE syllabus;
- teaching which builds on previous learning and has high expectations of children's achievements; and
- details of school improvement priorities and strategies.

### Learning

We regularly review the quality of children's learning, by cohort, class and group, to ensure the provision of teaching enables children to achieve at their maximum potential. This is done through the setting of student achievement targets, which are aspirational and tracked through their five years at the school. The trustees set annual targets for the Year 11 cohort.

### Purchasing

We have developed procedures for assessing needs and obtaining goods and services which provide "Best Value" in terms of suitability, efficiency, time and cost. These procedures will comply with the school's Scheme of Financial Administration. Measures already in place include:

- competitive quotation procedures for goods and services between £10,001-£40,000;
- competitive tendering procedures (e.g. for goods and services above £40,001);
- procedures for accepting "Best Value" quotes, which are not necessarily the cheapest (e.g. suitability for purpose and quality of workmanship);
- use of YPO for the purchase of goods offered at preferential rates to member authorities;
- use of The Academies Procurement Resource in particular the Crescent Purchasing Consortium, The Government Procurement Services and The Pro-5 where appropriate; and
- examining alternative ways of delivering services e.g. purchase/lease/loan.

### Students' welfare

We will review the quality of the school environment and the school ethos, in order to provide a supportive environment conducive to learning, social, moral and personal development and recreation.

### Health and safety

We will review the quality of the school environment and equipment, carrying out risk assessments where appropriate, in order to provide a safe and stimulating working environment for students, staff and visitors.

### Monitoring

These areas will be monitored for Best Value by:

- 1 In-house monitoring by the senior leadership team e.g. classroom practice, work sampling, analysis of student performance.
- 2 External self-review by an independent specialist company.
- 3 Analysis of school student performance data e.g. half-termly progress of student, GCSE examinations against all schools, LA schools, similar schools.
- 4 Analysis of DfE student performance data.
- 5 Analysis of LA student performance data.
- 6 Annual performance management – outcomes/main findings of performance management of staff to determine forthcoming plans for the continuing professional development of staff.
- 7 Annual budget planning, prioritising student achievement and progress, including challenging historical expenditure and targeting available resources to deliver the SIP.
- 8 Monthly financial review, provision of detailed budget monitoring statements, with variance analyses, to the governing body on a termly basis.
- 9 Analysis of financial data, benchmarking information, national CFR benchmarking database, salary comparisons.
- 10 OFSTED inspection records.
- 11 Subject consultant reports.
- 12 Trustee committee meetings.
- 13 Full governing body meetings.
- 14 Annual finance review.
- 15 Annual target setting meeting.

### **The purpose of the system of internal control**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of the academy's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Makerfield Academy Trust for the year 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements.

### **Capacity to handle risk**

The board of trustees has reviewed the key risks to which the academy trust is exposed together with the operation, financial and compliance controls that have been implemented to mitigate those risks. The board of trustees is of the view that there is a formal on-going process of identifying, evaluating and managing the academy trust's significant risks that have been in place for the year 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of trustees.

### **The risk and control framework**

The academy trust's system of internal control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring system with an annual budget and periodic financial reports which are reviewed and agreed by the board of trustees;
- regular review by committees of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defining purchasing (assets purchase or capital investment) guidelines;
- delegation of authority and segregations of duties; and
- identification and management of risks.

The board of trustees has considered the need for a specific internal audit function and continues to use Wigan Council to provide the necessary internal scrutiny. This includes giving advice on financial matters and performing a range of checks on the academy trust's financial systems. On a termly basis the council representative reports to the board of trustees on the operation of the systems or control and on the discharge of the board of trustees' financial responsibilities.

The representative completed her most recent review in July 2017, a report has been provided to the relevant committee. All work contracted under the service level agreement for the year 2016/17 has been completed.

### Review of effectiveness

As accounting officer, the headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the period in question the review has been informed by:

- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework;
- the work of the Finance and Premises Committee;

**STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE**

***FOR THE YEAR ENDED 31 AUGUST 2017***

---

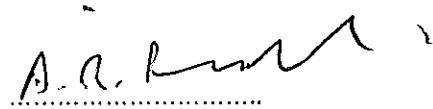

As accounting officer of Makerfield Academy Trust (Formerly known as Byrchall High School Academy Trust) I have considered my responsibility to notify the academy trust board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with ESFA terms and conditions of funding, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2016.

I confirm that I and the academy trust's board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2016.

I confirm that the following instances of material irregularity, impropriety or funding non-compliance discovered to date have been notified to the board of trustees and ESFA. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA:

**Non-financial issues**

The trustees have not disclosed their pecuniary interests during the year ended 31 August 2017, resulting in a breach of the Academies Financial Handbook section 3.1.16. The trustees have acknowledged this and each trustee has now agreed to disclose their interest, which will be reviewed at the next trustees meeting.

## STATEMENT OF TRUSTEES' RESPONSIBILITIES

*FOR THE YEAR ENDED 31 AUGUST 2017*

---

The trustees (who also act as governors for Makerfield Academy Trust (formerly known as Byrchall High School Academy Trust) and are also the directors of Makerfield Academy Trust (formerly known as Byrchall High School Academy Trust) for the purposes of company law) are responsible for preparing the trustees' report and the accounts in accordance with the Annual Accounts Direction issued by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare accounts for each financial year. Under company law the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the trustees are required to:

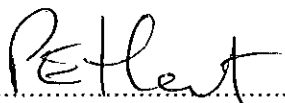

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

Approved by order of the board of trustees on 14 December 2017 and signed on its behalf by:

Mr Peter Hart  
Chair of trustees

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MAKERFIELD ACADEMY TRUST (FORMERLY KNOWN AS BYRCHALL HIGH SCHOOL ACADEMY TRUST)**

***FOR THE YEAR ENDED 31 AUGUST 2017***

---

### **Opinion**

We have audited the accounts of Makerfield Academy Trust (Formerly known as Byrchall High School Academy Trust) for the year ended 31 August 2017 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2017 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or
- the trustees have not disclosed in the accounts any identified material uncertainties that may cast significant doubt about the academy trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the accounts are authorised for issue.

### **Other information**

The other information comprises the information included in the annual report, other than the accounts and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MAKERFIELD ACADEMY TRUST (FORMERLY KNOWN AS BYRCHALL HIGH SCHOOL ACADEMY TRUST) (CONTINUED)**

**FOR THE YEAR ENDED 31 AUGUST 2017**

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the trustees' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the trustees' report including the incorporated strategic report have been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the statement of trustees' responsibilities, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

## **INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO MAKERFIELD ACADEMY TRUST (FORMERLY KNOWN AS BYRCHALL HIGH SCHOOL ACADEMY TRUST) AND THE EDUCATION AND SKILLS FUNDING AGENCY**

***FOR THE YEAR ENDED 31 AUGUST 2017***

---

In accordance with the terms of our engagement letter dated 13 September 2017 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2016 to 2017, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Makerfield Academy Trust (Formerly known as Byrchall High School Academy Trust) during the period 1 September 2016 to 31 August 2017 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Makerfield Academy Trust (formerly known as Byrchall High School Academy Trust) and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the Makerfield Academy Trust (formerly known as Byrchall High School Academy Trust) and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Makerfield Academy Trust (formerly known as Byrchall High School Academy Trust) and ESFA, for our work, for this report, or for the conclusion we have formed.

### **Respective responsibilities of Makerfield Academy Trust (formerly known as Byrchall High School Academy Trust)'s accounting officer and the reporting accountant**

The accounting officer is responsible, under the requirements of Makerfield Academy Trust (formerly known as Byrchall High School Academy Trust)'s funding agreement with the Secretary of State for Education and the Academies Financial Handbook, extant from 1 September 2016, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2016 to 2017. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

### **Approach**

We conducted our engagement in accordance with the Academies Accounts Direction 2016 to 2017 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

## INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO MAKERFIELD ACADEMY TRUST (FORMERLY KNOWN AS BYRCHALL HIGH SCHOOL ACADEMY TRUST) AND THE EDUCATION AND SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

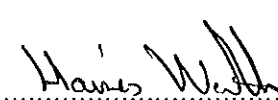

The work undertaken to draw to our conclusion includes:

- We have confirmed that the activities conform to the academy trust's framework of authorities. As identified by review of minutes, management accounts, discussion with the accounting officer and other key management personnel.
- We have carried out an analytical review as part of the consideration of whether general activities of the academy trust are within the academy trust's framework of authorities.
- We have considered the evidence supporting the accounting officer's statement on regularity, propriety and compliance and have evaluated the general control environment of the academy trust and extended the procedures required for financial statements to include regularity.
- We have assessed and tested a sample of the specific control activities over regularity of a particular activity. In performing sample testing of expenditure, we have considered whether the activity is permissible within the academy trust's framework of authorities. We confirm that each item tested has been appropriately authorised in accordance with the academy trust's delegated authorities and that the internal delegations have been approved by the board of trustees, and conform to the limits set by the Department for Education.
- Formal representations have been obtained from the board of trustees and the accounting officer acknowledging their responsibilities including disclosing all non-compliance with laws and regulations specific to the authorising framework, access to accounting records, provision of information and explanations, and other matters where direct evidence is not available.
- In performing sample testing of expenditure, we have reviewed against specific terms of grant funding within the funding agreement. We have reviewed the list of suppliers and have considered whether supplies are from related parties and have reviewed minutes for evidence of declaration of interest, and whether or not there was involvement in the decision to order from this supplier.
- We have performed sample testing of other income and tested whether activities are permitted within the academy trust's charitable objects.

### Conclusion

In the course of our work, except for the matter listed below, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2016 to 31 August 2017 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

The trustees have not disclosed their pecuniary interests during the year ended 31 August 2017, resulting in a breach of the Academies Financial Handbook section 3.1.16. The trustees have acknowledged this and each trustee has now agreed to disclose their interest, which will be reviewed at the next trustees meeting.

## **NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 31 AUGUST 2017**

---

### **1 Accounting policies**

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

#### **1.1 Basis of preparation**

The accounts of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2016 to 2017 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Makerfield Academy Trust (Formerly known as Byrchall High School Academy Trust) meets the definition of a public benefit entity under FRS 102.

#### **1.2 Going concern**

The trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

#### **1.3 Income**

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

##### Grants receivable

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

##### Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the statement of financial activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

# MAKERFIELD ACADEMY TRUST (FORMERLY KNOWN AS BYRCHALL HIGH SCHOOL ACADEMY TRUST)

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

---

### 1 Accounting policies

#### Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

#### Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

#### Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

### 1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

#### Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

#### Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

# **MAKERFIELD ACADEMY TRUST (FORMERLY KNOWN AS BYRCHALL HIGH SCHOOL ACADEMY TRUST)**

## **NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**

**FOR THE YEAR ENDED 31 AUGUST 2017**

---

### **1 Accounting policies**

#### **1.5 Tangible fixed assets and depreciation**

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on such assets is charged directly to the restricted fixed asset fund in the statement of financial activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the academy trust's depreciation policy. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset over its expected useful life, as follows:

Land and buildings	50 years straight line
Asset in course of construction	Nil
Computer equipment	3 years straight line
Fixtures, fittings & equipment	7 years straight line

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

#### **1.6 Liabilities**

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods of services it must provide.

#### **1.7 Leasing and hire purchase commitments**

Rentals payable under operating leases are charged on a straight line basis over the period of the lease.

#### **1.8 Taxation**

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

### 1 Accounting policies

#### 1.9 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 16, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

#### 1.10 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Education and Skills Funding Agency, Department for Education and other funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received and include grants from the Education and Skills Funding Agency/Department for Education.

#### 1.11 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

**1 Accounting policies**

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 16, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2017. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

### 8 Trustees' remuneration and expenses

The principal and other staff trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff, and not in respect of their services as trustees. Other trustees did not receive any payments, other than expenses, from the academy trust in respect of their role as trustees. During the year, travel and subsistence payments totalling £ nil (2016: £ nil) were reimbursed to any governors trustees.

The value of trustees' remuneration was as follows:

A Birchall (principal)	£95,000 - £100,000	(2016: £95,000-£100,000)
L Hutton (staff trustee)	£25,000 - £30,000	(2016: £25,000-£30,000)
M Mehnert (staff trustee) resigned on 1 April 2017	£25,000 - £30,000	(2016: £5,000-£10,000)

The value of trustees' retirement benefits was as follows:

A Birchall (principal)	£15,000 - £20,000	(2016: £10,000-£15,000)
L Hutton (staff trustee)	£0 - £5,000	(2016: £0-£5,000)
M Mehnert (staff trustee) resigned on 1 April 2017	£0 - £5,000	(2016: £0-£5,000)

Other related party transactions involving the trustees are set out within the related parties note.

### 9 Trustees and officers insurance

The academy trust has opted into the Department for Education's Risk Protection Arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy trust business, and provides cover up to £10,000,000. It is not possible to quantify the trustees and officers indemnity element from the overall cost of the RPA scheme.

### 16 Pensions and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Tameside Metropolitan Borough Council. Both are defined-benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2016.

Contributions amounting to £50,825 (2016: £54,025) were payable to the schemes at 31 August 2017 and are included within creditors.

#### Teachers' Pension Scheme

##### Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis - these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

#### Valuation of the Teachers' Pension Scheme

At the last valuation, the contribution rate to be paid into the TPS was assessed in two parts. First, a standard contribution rate (SCR) was determined. This is the contribution, expressed as a percentage of the salaries of teachers and lecturers in service or entering service during the period over which the contribution rate applies, which if it were paid over the entire active service of these teachers and lecturers would broadly defray the cost of benefits payable in respect of that service. Secondly, a supplementary contribution is payable if, as a result of the actuarial review, it is found that accumulated liabilities of the account for benefits to past and present teachers, are not fully covered by standard contributions to be paid in future and by the notional fund built up from past contributions. The total contribution rate payable is the sum of the SCR and the supplementary contribution rate.

The last valuation of the TPS related to the period 1 April 2001 to 31 March 2004. The Government Actuary's report of October 2006 revealed that the total liabilities of the Scheme (pensions in payment and the estimated cost of future benefits) amounted to £166,500 million. The value of the assets (estimated future contributions together with the proceeds from the notional investments held at that valuation date) was £163,240 million. The assumed real rate of return was 3.5% in excess of prices and 2% in excess of earnings. The rate of real earnings growth was assumed to be 1.5%. The assumed gross rate of return was 6.5%. From 1 January 2007, the SCR was assessed at 19.75%, and the supplementary contribution rate was assessed to be 0.75% (to balance assets and liabilities as required by the regulations within 15 years). This resulted in a total contribution rate of 20.5%, which translated into an employee contribution rate of 6.4% and employer contribution rate of 14.1% payable.

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The pension costs paid to the TPS in the period amounted to £401,000 (2016: £425,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

#### Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 18.1% for employers and between 5.5 and 5.9% for employees. The estimated value of employer contributions for the forthcoming year is £111,000.

### 19 Related party transactions

Owing to the nature of the academy trust's operations and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the academy trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the academy trust's financial regulations and normal procurement procedures. The following related party transaction took place in the period of account:

The academy is related to Western Skills Centre Limited by common directorship. Western Skills Centre Limited is a training provider delivering vocational training to the academy and other schools in the local area. During the year Makerfield Academy Trust incurred expenditure of £15,812 (2016 - £29,103) towards the running costs of the centre. In entering into the transaction the academy trust has complied with the requirements of the Academies Financial Handbook 2016.

### 20 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he or she ceases to be a member.
